

## Thy Kingdom Come

**D**                      **A**                      **G**                      **A**  
Woke up this morning, it started pouring and the sky was full of clouds

**D**                      **A**                      **G**                      **A**  
And without warning, a sudden glory, had the sun come peeking down  
*(prechorus)*

**Bm**                      **D**                      **G**                      **A**  
And I thought of the reasons, for the many ways we're blessed

**Bm**                      **D** **G**                      **A**  
And I must thank-you Jesus, it was you who said it best

**D**                      **A**  
Thy kingdom come, they will be done

**G**                      **A**  
Here on earth as it is in heaven

**D**                      **A**  
Give us this day our daily bread,

**G**                      **A**  
And lead us not into temptation

**D**  
They kingdom come

**D**                      **A**                      **G**                      **A**  
For all those moments, I've been sorry. For the times that I have sinned

**D**                      **A**                      **G**                      **A**  
It's Your forgiveness, that made my worries, just a place where I had been.

**Bm**                      **D**                      **G**                      **A**  
And I thought of the reasons, for the many ways we're blessed

**Bm**                      **D** **G**                      **A**  
And I must thank-you Jesus, it was you who said it best

**D** **A**

Thy kingdom come, they will be done

**G** **A**

Here on earth as it is in heaven

**D** **A**

Give us this day our daily bread,

**G** **A**

And lead us not into temptation

**D**

They kingdom come

*Bridge*

**G** **D/F#**

And you know, it isn't easy

**G** **A**

We are broken and we're tried

**G** **D/F#**

But in prayer, I find the freedom

**Bm** **Bm/A** **G**

To be healed again inside

**D** **A**

Thy kingdom come, they will be done

**G** **A**

Here on earth as it is in heaven

**D** **A**

Give us this day our daily bread,

**G** **A**

And lead us not into temptation

**D**

They kingdom come
