

Dm A Dm A  
Bah, pa, bah, pa ,bup, bup, bah, pa, bah, pa, bah, pa, bah

Dm A  
I'm sleeping, and right in the middle of a good dream

F7  
When all at once I wake up

G  
From something that keeps knockin' at my brain

G D  
Before I go insane, I hold my pillow to my head

C  
And spring up in my bed

G  
Screaming out the words I dread

D  
I think I love you (I think I love you)

Dm A  
This morning, I woke up with this feeling

F7  
I didn't know how to deal with

G  
And so I just decided to myself

G D  
I'd hide it to myself, and never talk about it

C G  
And didn't I go and shout it, when you walked into my room

D  
I think I love you (I think I love you)

(Chorus)

G D  
I think I love you so, what am I so afraid of

A7 Bm  
I'm afraid that I'm not sure of a love there is no cure for

A D  
I think I love you, isn't that what life is made of

E7 A  
Though it worries me to say, that I never felt this way

(Interlude) G A D (4x)

(Bridge)

F# A B  
I don't know what I'm up against

E G A  
I don't know what it's all about

A C D A  
I've got so much to think about hey....

(Chorus)

G D  
I think I love you so, what am I so afraid of

A7 Bm  
I'm afraid that I'm not sure of a love there is no cure for

A D  
I think I love you, isn't that what life is made of

E7 A  
Though it worries me to say, that I never felt this way

Dm A  
Believe me you really don't have to worry

F7  
I only want to make you happy

G  
And if you say, hey go away, I will

G D  
But I think better still, I better stay around and love you

Do you think I have a case let me ask you to your face

Do you think you love me I think I love you

(Outro)

I think I love you, I think I love you

I think I love you, I think I love you

I think I love you, I think I love you
