

## Turn The Page

**D** **A** **G** **A**  
I quit my drinking, and Got to Thinking, About the things that I have done

**D** **A** **G** **A**  
And how I hurt you, I don't deserve you. I was always on the run  
*(prechorus)*

**Bm** **D** **G** **A**  
And I'd ask for forgiveness, If only I knew how

**Bm** **D** **G** **A**  
There's something deep within me, I've got to do right now

**D** **A**  
I've got to turn the page, make a change

**G** **A**  
Bow my head, maybe kneel and pray

**D** **A**  
I've got to face myself, There's no one else

**G** **A**  
Gotta face the truth and make it up to you

**D**  
I've got to turn the page

**D** **A** **G** **A**  
Too many moments, that I was lonely. Cause you were never round.

**D** **A** **G** **A**  
Oh how I cursed you. I tried to get through. But I was broken down.

**G** **D**  
*(prechorus)*

**Bm** **D** **G** **A**  
You know that I'd forgive you, If only I knew how

**Bm** **D** **G** **A**  
There's something deep within me, I've got to do right now

**D** **A**  
I've got to turn the page, make a change  
**G** **A**  
Bow my head, maybe kneel and pray  
**D** **A**  
I wanna make amends, take our time  
**G** **A**  
Do it right, maybe start again

*Bridge*

**G** **D/F#**  
And you know, it won't be easy  
**G** **A**  
It's a chance we'll have to take  
**G** **D/F#**  
We'll take it slow. Take it easy  
**Bm** **Bm/A** **G**  
Let's not make a mistake

*Solo (same structure as 1 verse and 1 pre-chorus)*

**D** **A**  
We've got to turn the page, make a change  
**G** **A**  
Bow our heads, maybe kneel and pray  
**D** **A**  
We've got make amends, take our time  
**G** **A**  
Do it right, maybe start again  
**D**  
We've got to turn the page
