

Daddy's Little Girl

G **B7**
You're the end of the rainbow, my pot of gold,

Em **B7**
You're daddy's little girl to have and to hold.

C **Am7** **G** **E7**
A precious gem is what you are,

A7 **D9** **D7**
You're mom - my's bright and shi-ning star.

G **B7**
You're the spirit of Christmas, my star on the tree,

Em **B7**
You're the Easter Bunny to mommy and me;

C **Am7** **G** **E7**
You're sugar, you're spice, you're ev'-ry-thing nice,

A7 **D7** **G** **D7**
And you're daddy's little girl.

(Instrumental Interlude -- First Half)

G **B7**
You're the treasure I cherish, so sparkling and bright;

Em **B7**
You were touched by the holy and beautiful light.

C **Am7** **G** **E7**
Like angels that sing, a hea-ven-ly thing,

A7 **D7** **G** **Am7 alt** **G**
And you're daddy's little girl
